Meierjohan-Wengler are designers and manufacturers of ornamental lighting fixtures in wrought iron, bronze, aluminum, and copper, which have graced the country's finest buildings.

Our modern Modeling and Fabrication Departments are supervised by craftsmen of many years' experience.

Chandeliers, Lanterns and other Lighting Equipment are custom made only. Send us your inquiries, blue prints, or specifications. Estimates will be furnished without obligation on your part.

We do not manufacture the commercial type fixtures; but are in a splendid position to produce these, if unusual sizes and materials are required.

Church Lanterns and decorated metals are illustrated in our Folder "C" and it is yours for the asking.

If interested in our craftsmanship, write for the following pamphlets Genuine Bronzes: Folder "A". Ornamental Wrought Iron and Bronze Work: Folder "B". Honor Rolls: Folder "E".
